TEXTBOOKS

Elements and Principles of 4D Art and Design (Oxford University Press, 2016).

This foundational text organizes/outlines the elements and principles of 4D (time-based) art and design in an effort to clarify the language used to discuss/critique 4D works.

Remixing and Drawing: Sources, Influences, Styles (Routledge, March 2018).

This intermediate/advanced studio drawing text guides students through the history of remixing, and the process of executing a comprehensive survey of their own sources, influences, and styles.
